

Hey Elmhurst Swim Team Members!

Illinois Swimming is working to develop an online community on [Facebook](#) and [Twitter](#) where swimmers and their families can go to get news, view exclusive photos and videos and connect with their fellow swimmers. It is becoming a really cool online resource that we can and will definitely tap into.

Additionally, they are currently hosting a Facebook contest where our club can win money to Sports Authority or The Swim Team Store if we get at least 25 people to write "Elmhurst Swim Team" on the [Illinois Swimming Facebook Page](#) wall. Let's show how much pride we have and not only get the required 25 posts, but beat out every other Swim Club in Illinois!!

Thanks for your continued support of our club and Illinois Swimming,

Coach Davis
